Quarter and year this request is for: Summer Fall Winter Spring 20 _____

- This form is to request a change to or from an audit status. Auditing a class means that you're allowed to participate in the class, but no matter how well you do in the class, you'll receive an "N" grade (signifying "no credit earned").
- Auditing a class costs the same as it does to take it for credit, *unless* you're a senior citizen over 60 years of age trying to take the class on a space-available basis. To qualify for that process, you'll need to see the Senior Citizen's Reduced Tuition Program form, found on the [Enrollment Services Forms](#) page.
- After the 3rd day of the quarter, instructor's permission is needed to switch to/from credit/audit status. Prior to that, no permission is needed if you are already enrolled in the class.
- Be aware that if you're on financial aid, auditing a class may affect your funding.
